INVITATION TO PROSPECTIVE SUPPLIERS TO ATTEND A SUPPLIER'S DAY WORKSHOP

THE EASTERN CAPE CET COLLEGE HEREBY INVITES ALL CURRENT AND PROSPECTIVE SUPPLIERS TO A SUPPLIERS'DAY WORKSHOP TO BE HELD ON VARIOUS DISTRICTS IN THE PROVINCE.

The Eastern Cape Community Education and Training (CET) College is one of the 9 CET College established by the Minister on Higher Education and Training (DHET) in terms of the Continuing Education and Training Act (At 16 of 2006). The College provides teaching and learning including training to over 20 000 learners across the province in over 30 Main Centres and 242 Satellite Centres.

In order to provide these services, the College procures goods and or services from a number of Services Providers mainly from within the province and preferably SMMEs. These goods constitute amongst others, Stationery, Cleaning, tools and furniture for the delivery of both head office and centres operations including teaching and learning.

In order to ensure that all current and prospective service providers and the College create an open, fair and transparent relations, the College will host suppliers' day workshop, with the intention of engaging with services providers and outline the current changes with the Preferential Procurement Framework which have a direct impact to the College policies.

Invitations are herein made to both the current and prospective service providers to attend the Supplier's Day as the College will be unpacking these changes and also obtain an understanding from the service providers on challenges experienced which prohibits them in doing business with the College.

As the College services the whole of the province, the supplier days will be clustered by districts as indicated in the table below, to allow for all those interests to attend at the venue, date and time that is suitable for them.
