SPECIFICATION

BACKGROUND

The Community Education and Training (CET) Colleges came into existence on 1 April 2015 when the Public Adult Learning Centres (PALCs) migrated from the Provincial Education Departments (PEDs) to the Department of Higher Education and Training (DHET). The PALCs became the Community Learning Centres (CLCs) and were merged under the CET Colleges.

The mandate of the Colleges is to provide quality and relevant Education and Training programmes for youth and adults to improve their livelihoods. The CET Colleges, through the CLCs, offer programmes that will ensure that students attain skills that will enable them to either find employment or establish their own enterprises which are Community needs based. The College is situated in the Eastern Cape in South Africa. Governance of the College rests with the Council subject to the relevant statutes and policies. The management structure of the College consists of the principal and three Deputy Principals. The CET College operates in accordance with the requirements laid down in the Continuing Education and Training Act, Act No.16 of 2006.
